Agro Pak

Your Agro Pak policy is made up of a Cover Page and one or more of SGI CANADA's policy booklets or riders. Your policy is a legal contract between you and us. These booklets explain your coverage and are written in a language to make it easier for you to understand your insurance protection. Your Cover Page shows the coverages you have chosen, what we agree to insure, the coverage we provide and the amount of protection, and the policy booklets or riders that apply. It also shows the premium you have agreed to pay. All amounts of protection are shown and all losses are payable in Canadian dollars.

Coverage	Booklets/Riders
<i>Dwelling(s), Belongings, and Special Belongings</i>	Prestige, Home/Mobile Home or Tenant/Condominium booklet, General Dwelling Protector booklet, Special Coverages booklet or as shown on your Cover Page
<i>Farm Property</i>	Agro Pak booklet or Specialty (Agro) Riders
<i>Liability</i>	Agro Pak booklet

The Dwellings/Belongings section of the Agro Pak policy covers dwellings and/or belongings used for personal use only, unless permission is granted on your Cover Page. There is a **very limited outbuilding** provision within the Home or Tenant/Condominium booklet.

Your policy may also have certain broadened coverage and enhanced policy limits if you have purchased an SGI CANADA Prestige Insurance policy option.

All buildings or structures located on the **Farm Premises** must be covered under the Farm Property section of the Agro Pak policy. Any property associated with the farm business operation, either completely or partially must be covered under Farm Property. Property related to any business or occupation other than **farming** is not covered, unless permission is granted on your Cover Page.

Where a Home/Mobile Home, Tenant/Condominium or General Dwelling Protector booklet is issued as part of an Agro Pak policy to cover a dwelling or belongings, the liability coverage of that booklet is replaced by Comprehensive Farmer's Liability of the Agro Pak booklet.

All claims will be settled directly with the person(s) or company named on your Cover Page. Only the person(s) or company named on your Cover Page may make a claim against this policy and may take legal action against us.

Claims presented for loss or damage by any person(s) or company covered under this policy, shall be considered to be made by all named or unnamed insured person(s) jointly. Action(s) of any person either individually or jointly shall be considered action(s) by all for the purpose of investigation and settlement of losses.

The key to your policy is its Cover Page. It shows the type and amount of your coverage. It gives the location of property you are insuring and it describes certain types of property you are insuring. Your coverage starts at 12:01 A.M. standard time on the Effective Date. It ends at 12:01 A.M. standard time on the Expiry Date. Your Cover Page shows both of these dates. This is your policy term.

This policy contains various exclusions and limitations that eliminate or restrict coverage. Please read it carefully.

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Limitations Act*.

Insurance cannot be a source of profit. It is only designed to indemnify you against actual losses or expenses incurred by you or for which you are legally liable.

Farm Property

A. General Section

(Applicable to all Coverages in the Coverage Section)

Insuring Agreement

SGL CANADA, a division of SGI (hereinafter called the Insurer) agrees with the Named Insured (hereinafter called the **Insured**), subject to the terms, provisions and conditions hereof, that if the property described on your Cover Page and defined hereunder or any part thereof in this policy shall be lost, destroyed or damaged by the perils insured against as defined and limited hereunder, or endorsed hereon, all as hereinafter provided, the Insurer will indemnify the **Insured** against such direct loss or damage, without allowance for any increased cost of repair or reconstruction by reason of any law regulating construction or repair, to an amount not exceeding, whichever is the least of:

- a) the **Actual Cash Value** of the property at the time of loss, destruction or damage, considering the age and condition of the property immediately before the loss, destruction or damage, the obsolescence, the resale value and the normal life expectancy;
- b) the interest of the **Insured** in the property;
- c) the applicable amount of protection shown on your Cover Page for each coverage, and subject to any *pro rata* provision hereof.

Provided, however, that where the insurance applies to the property of more than one person or interest, the Insurer's total limit of liability for loss sustained by all such persons and interests shall be limited in the aggregate to the amount of protection shown on your Cover Page.

All claims will be settled directly with the **Insured(s)** named on your Cover Page. Only the **Insured(s)** named on your Cover Page may make a claim against this policy and may take **action** against us.

Claims presented for loss or damage by any **Insured(s)** shall be considered to be made by all named or unnamed **Insured(s)** jointly. **Action(s)** of any **Insured** either individually or jointly shall be considered **action(s)** by all for the purpose of investigation and settlement of losses.

Declaration of Emergency Endorsement

(Extension of Termination or Expiry Date)

The effective date of termination of this policy by the Insurer or the expiry date of this policy is extended, subject to the conditions and definitions set out below, as follows when an **Emergency** is declared by a Canadian public authority designated by statute for the purpose of issuing such an order.

1. The **Emergency** must have a direct effect or impact on:
 - a) the **Insured**, the insured site or insured property located in the declared emergency area; or
 - b) the operations of the Insurer or its agent/broker located in the declared emergency area.
2. a) Any time limitation described in the Termination condition of this policy, with respect to termination of this policy by the Insurer, will not continue to run until the **Emergency** is terminated plus the lesser of:
 - i) 30 days; or
 - ii) the number of days equal to the total time the **Emergency** order was in effect.
- b) If this policy is due to expire during an **Emergency**, it will continue in force until the **Emergency** is terminated plus the lesser of:
 - i) 30 days; or
 - ii) the number of days equal to the total time the **Emergency** order was in effect.

3. In no event shall the total term of the extension exceed 120 consecutive days.

The **Insured** agrees to pay the pro rata premium earned for the additional time the Insurer remains on risk as a result of the above.

4. Definitions:

Emergency is defined as the first statutory declaration of an emergency:

- a) with respect to a situation or an impending situation that constitutes a danger of major proportions that could result in serious harm to persons or substantial damage to property and that is caused by the forces of nature, a disease or other health risk, an accident or an act whether intentional or otherwise; or
- b) as provided for by the relevant governing legislation if different from a) but does not include any subsequent statutory declaration(s) that may be issued relating to the same event.

All other terms and conditions of the Policy to which this endorsement applies remain unchanged.

Deductible

A deductible is used for losses or damage to insured dwellings/belongings and/or farm property of this policy.

A deductible means that you will have to bear the first part of your loss yourself. We will subtract this amount from the total of your loss, then we will pay for the rest of your loss. We will pay up to your total amount of protection. We will not pay if your loss is less than the deductible. The deductible is shown on your Cover Page.

You may have different deductibles or Special Deductibles, depending on the type of property and the type of loss that we cover. When two or more items are lost or damaged in one loss, or several insured perils occur at the same time contributing to the loss, we will use only one deductible. We will use the largest single deductible of all that apply.

Unoccupied Farm means the dwelling at the farm yard site is not occupied as a principal residence, or there is no dwelling at the yard site.

Extensions of Cover

The following Extensions of Cover shall not increase the amounts of protection applying under this policy to the property damaged or destroyed, unless otherwise specifically stated:

1. The repairs or replacement must be executed with due diligence and dispatch.

5. Any other insurance effected by or on behalf of the **Insured** in respect to the perils insured against on the property to which this clause is applicable shall be upon the identical basis of **Replacement Cost** as set forth herein.

7. If the property, to which this clause is applicable is subject to a Co-Insurance Clause requiring a stated percentage of insurance to value to be maintained, the **Actual Cash Value** for the purpose of applying said Co-Insurance Clause to such property shall be calculated on the basis of **Replacement Cost** without deduction for depreciation.
8. If the amount insured hereunder is divided into two or more items, this clause shall apply separately to each item to which it is applicable.

 - b) by any person:
 - i) unless that person is for the time being either authorized by law or qualified to drive or operate the **automobile**; or
 - ii) while that person is under the age of 16 years or under such other age as is prescribed by the law of the Province in which he resides at the time this contract is made as being the minimum age at which a licence or permit to drive an **automobile** may be issued to him; or

 - c) forward immediately to the Insurer every letter, document, advice or writ received by him from or on behalf of the claimant.
- 2) The **Insured** shall not:

- 8) In Case of Disagreement. In the event of disagreement as to the nature and extent of the repairs and replacements required, or as to their adequacy, if effected, or as to the amount payable in respect of any loss or damage, those questions shall be determined by the appraisal as provided under *The Insurance Act* before there can be recovery under this contract, whether the right to recover on the contract is disputed or not, and independently of all other questions. - 3) **Limitation of Actions.** Every **action** or proceeding against the Insurer under this contract in respect of loss or damage to the **automobile** shall be commenced within two years next after the happening of the loss and not afterwards, and in respect of loss or damage to persons or property shall be commenced within two years next after the cause of **action** arose and not afterwards.

7. Who May Give Notice and Proofs of Claim

- 3) Where this contract is terminated by the **Insured**, the Insurer shall refund as soon as practicable the excess of premium actually paid by the **Insured** over the *short rate* premium for the expired time, but in no event shall the *short rate* premium for the expired time be deemed to be less than any minimum retained premium specified.
